

# Daryl Hall & John Oates, Miss DJ

90 miles outside Chicago  
Can't stop driving, I don't know why  
So many questions I need some answers  
2 years later you're still on my mind  
Whatever happened to the Uptown theatre?  
Yeah it held the stars up in the sky  
Is true love just once in a lifetime?  
Did the captain of the Titanic cry

Someday We'll Know  
Why love can't move a mountain  
Someday We'll Know  
Why the sky is blue  
Someday We'll Know  
Why I wasn't there for you

Does anybody know the way to Atlantis?  
Or what the wind says when she cries  
I'm speeding by the place where I met you  
For the 97th time

(chorus)  
Someday We'll Know  
Why love can't move a mountain  
Someday We'll Know  
Why the sky is blue  
Someday we'll know  
Why I wasn't there for you  
Someday We'll Know  
If love is do or die for  
Someday We'll Know  
Why it died so soon  
Someday We'll Know  
Why I wasn't there for you  
I bought a ticket back to where I came from  
I watched my past crash in the sea  
If I could ask you just one question  
Why aren't you here with me?
