

# Daryl Hall & John Oates, Open All Night

Music: Hall

Lyrics: Hall/S. Allen

I know how you spent your time  
Too many people know you weren't alone  
Your after hours followed you home  
Oh I heard, he said  
She was open all night  
While I was away  
She was open all night  
Don't ask me to tell you who told me  
She was open all night  
While I was away  
You were open all night  
Don't ask me to tell you who said

Gotta lotta friends I don't need  
They say "you'd rather hear it first from me"  
Maybe I don't wanna hear it at all  
It's too far to fall so don't say  
She was open all night  
Don't ask me to tell you who told me  
No I don't want to tell you
