

Daryl Hall & John Oates, Rocket To God

Music by Daryl Hall / Lyrics by Daryl Hall

I can't live without you
Girl I can't let go
Everybody tells me
Daryl just walk away
They don't know the power
We have together
Ain't no one can tell me
What to believe

Oh baby you move my soul
Like a Rocket to God
Oh Honey I wanna fly to your arms

Dream too much about you
Both the good and the bad
maybe I'm too jealous
But I just don't care
Everytime you hurt me
It's a scar on my heart
Everytime you love me
It's ecstasy my dear

Oh baby you move my soul
Like a Rocket to God
Oh honey I wanna fly to your arms
Oh baby you move my soul
Like a Rocket to God
Oh honey I wanna die in your arms

I can feel you baby
Even tho you're nowhere near
Ain't no one can save me
Don't want to stop I want to go up
Like a Rocket
