

# Daryl Hall & John Oates, (She) Got Me Bad

I can read between the lonely lines  
Every single word brings a tear to my eye  
Tell me how did we get here  
And where did heaven go

I remember us as strong as stone  
Now I see the cracks breaking up a home  
And a future filled with fear  
But I won't surrender no  
We can make it through the fire  
I won't lay it down and die  
I will be the air, if you are out of breath  
And out of time

-chorus-

Baby don't it feel right  
Don't you know why  
Won't you say what it is  
Why you just can't see what's going on  
I'll be the Breath of Your Life

See the way the wind blows  
No matter how it goes  
I'm the air that you need  
If you're out of breath and out of time  
I'll be the Breath of Your Life  
Baby, no no we ain't out of time  
I don't want to go around again  
Passionate lover turning into friend  
I don't want to be back there  
Let that heaven go  
Explain the things you really need  
I can make it happen if you talk to me

Though I cannot read your mind  
I can get into your soul  
We Could Make it Through the Fire  
I won't lie down and die  
I will be the air if you are out of breath and out of time

-Repeat chorus-

See the way the wind blows  
No matter how it goes  
I'm the air that you need  
If you're out of breath and out of time  
I'll be the Breath of Your Life  
Baby, no no we ain't out of time  
Are you feeling like you're drowning  
Are you choking?  
And you just don't know what to do  
Well I can help you make it through  
Am I the one to save it?

I really think that we could do this  
get through this  
Don't doubt it, think about it  
Be sure you can depend on me  
Let me be the air that you breathe  
- Repeat chorus-
