

# Daryl Hall & John Oates, So Close (Unplugged)

They met on the dance floor in the old high school gym,  
He fell like a rock, she kinda liked him.  
And his heart beat like thunder, as they moved cross the floor,  
When the music was over, she slipped out of his arms, and out the door.

Yeah a man loves a woman, but he can't understand,  
Why she's sad when she stares, at the ring on her hand.  
Or she sits in some club, where the long shadows fall.  
Drops a coin in the jukebox, not the phone on the wall.

So close, yet so far away.  
So close, yet so far away.  
We believe in tomorrow, maybe more than today.  
Wee so close, so close, yet so far away.

Some people think, if you really believe,  
That's what you need to solve all the mysteries.  
Yea I know someone, who just heads for the sun,  
She says "I don't wanna be wise, I just wanna stay young".

So close, yet so far away.  
So close, yet so far away.  
We believe in tomorrow, though wee stuck in today.  
Baby wee so close, so close, yet so far away.

There's a restless look in your eye tonight.  
There's a secret hurt in my heart.  
And the dream that pulls us together girl,  
Is a dream, that gonna tear us, tear us apart.

There's a restless look in your eye tonight,  
Oh, are you lookin' for some way out of here.  
We gotta fight to keep it together girl,  
For the dream, that keeps us,

So close, yet so far away.  
So close, yet so far away.  
Who would of thought girl that we end up this way.  
Getting so close, so close,  
So far away.

Wee living in a dream world.  
Yet wee livin' today girl.  
Just you and me baby.  
Gotta try, gotta try, gotta try, gotta try, gotta try, gotta try, gotta try.
