

Daryl Hall & John Oates, Some Things Are Better

Lyrics & Music: Daryl Hall, Sara Allen, Janna Allen

When you find yourself alone
and when going out is coming home
you can count on "the kid";
'cause there's nobody waiting around.

If you're not an easy mark
it's a shot in the dark that hits the heart
and I know when it's coming
(I thought so anyway)

Some things stay the same
and some are due for change
I thought I had them all nailed down
but you turned it around.

(Refrain)

You did it
you did it
you did it
you did it
you did it in a minute.

Well I still can't say I know
when a love is real or touch and go
and if two can be one,
who is the one two becomes?

Am I quick enough to see
when I'm ready and it's right for me
I say that I want it.

(I think so anyway.)

Everybody always laughs at love
but what they want is to be proven wrong
then you came along.

(Refrain)
