

Daryl Hall & John Oates, Something About You

Some Things Are Better Left Unsaid

I
feel like I could run away
looking at a darker day
Oh...pulling the shades away from my eyes
It's true
the moody manners come and go
and it's better that you never know
Some things
are better left unsaid
some strings
are better left undone
some hearts
are better left unbroken
Some lives
are better left untouched
some lies
are better off believed
some words
are better left unspoken
My
ideas seem to frighten you
are you really that afraid to move?
Oh...guess that it's your right to reason.
I'm still
dealing with a force that's so strong.
The forces string us along
Some things
are better left unsaid
some strings
are better left undone
some hearts
are better left unbroken
Some lives
are better left untouched
some lies
are better off believed
some words
are better left unspoken
