

# Daryl Hall & John Oates, You Did It In A Minute

I just came in here from force of habit  
I don't intend to spend too much time in here  
But I saw you headin' for the jukebox  
And if you play A-11 there's gonna be tears  
I don't know you from Adam  
But if you gonna play the juke box  
Please don't play A-11  
This used to be our favorite night spot  
And when she was here it was heaven  
It was here that she told me that she loved me  
And we always played A-11  
I don't know you from Adam  
But if you gonna play the juke box  
Please don't play A-11  
I don't know you from Adam  
But if you gonna play the juke box  
Please don't play A-11  
Please don't play A-11
