

# Daryl Hall & John Oates, Your Imagination

I remember when I used to be the jealous kind  
I got over it, now you're taking over my old line  
You're caring too much about what I say  
You're wondering too much about what I do  
And baby, Your Imagination  
Imagination's got the best of you

I ain't doin' nothing that you could really say was wrong  
Just one oversight and no that didn't last too long  
Listen, you're caring too much about what I say  
You're wondering too much about what I do  
And baby, Your Imagination  
Imagination's got the best of you  
Don't know what you're looking for  
What's this thing about "true blue";  
You know I ain't no danger boy  
You're the one I like to touch, touch you, you  
When the mood is right, change the light and the moment's gone  
Better turn around, `cause the light doesn't last too long  
You're caring too much about what I say  
You're wondering too much about what I do  
And baby, Your Imagination  
Imagination's got the best of you  
Imagination, Your Imagination  
Imagination, Use Your Imagination.
