

# Daryl Hall, Justify

Babys gone  
Said shes movin on  
Telling me  
I aint comin along  
I thought you said you were satisfied  
You've given up on everything we tried for, why?

How can you justify sacrificing our love  
Justify  
Sacrificing our love

Smoking gun  
Hold it in your hand  
You can't deny  
I'm the victim of your plan  
Innocence with a guilty side  
I don't understand  
Tell me why oh why

How can you justify sacrificing our love  
Justify  
Sacrificing our love

Lonely hearts finally find a home  
Then they part  
Like everybody does  
Guess the love meant more to me  
Go your way  
But I can't see...why

How can you justify sacrificing our love  
Justify  
Sacrificing our love
