Verse Two: Skoob, Dray

Yo, yo
I bought a Glock off a Puerto Rock (Where?)
Off a block and fo' green back when I was 14
Now my thug's punk crilli, the thug willies
We're mack milli, cowardly cats get smacked silly
Wanna beef? Get back, on and the street get splashed
from your cheek, past your ass til your feet.....
Crab nigga duck shiggity-shots from the aimed Glocks
Fall on your head like raindrops til your brain pops

Yo yo
I got a chick that'll lie for me
die for me, shoot ya in your eye for me
Get high with me, the unfadeable, ungradeable
You wiggity-waste your time cos I'm unrateable
See, figgity-find me in the Benz on the backstreet
Listenin to Blackstreet, fuckin in the back seat
What? '98 thug mania, bring the pain to ya
And ain't no savin ya when I start blazin ya
