

Dashboard Confessional, I Need You

I don't know why I'm doing this.
I don't see what's so unfixable.
But It's getting harder all the time
To deal
To breathe

This pain in my arm is so much easier
I can't take it in my heart anymore.
I need the scars to remind myself
that I need you.
I need you.

You are the only one who understands.
The only one I want to understand.
If they all knew
It would only be worse.
They judge us; They sneer.
None of them see what we are.
What we could be
And what we can do.

But this pain in my arm is so much easier
I can't take it in my heart anymore.
I need the scars to remind myself
that I need you.
I need you.

I need to stop.(Help me to heal.)
I need to feel better. (Hold my hand)
I need to breathe again. (Keep my head up.)

but most of all
I need you.
I need you.
I need you.
