## Daughtry, Life After You

Ten miles from town and I just broke down Spittin' out smoke on the side of the road I'm out here alone just tryin' to get home To tell you I was wrong but you already know Believe me I won't stop at nothin' To see you so I've started runnin'

All that I'm after is a life full of laughter
As long as I'm laughing with you
I'm thinkin' that all that still matters is love ever after
After the life we've been through
'Cause I know there's no life after you

Last time we talked, the night that I walked Burns like an iron in the back of my mind I must've been high to say you and I Weren't meant to be and just wasting my time Oh, why did I ever doubt you? You know I would die here without you

All that I'm after is a life full of laughter
As long as I'm laughing with you
I'm thinkin' that all that still matters is love ever after
After the life we've been through
'Cause I know there's no life after you

You and I, right or wrong, there's no other one After this time I spent alone It's hard to believe that a man with sight could be so blind Thinkin' 'bout the better times, must've been outta my mind So I'm runnin' back to tell you

All that I'm after is a life full of laughter Without you God knows what I'd do

All that I'm after is a life full of laughter
As long as I'm laughing with you
I'm thinkin' that all that still matters is love ever after
After the life we've been through
'Cause I know there's no life after you
