

# Dave Alvin, Ashgrove

Dave Alvin  
(Blue Horn Toad Music, BMI)

Well when I was a young boy  
I used to slip away  
Down to the ashgrove  
To hear the old blues men play  
There was Big Joe and Lightnin'  
And Reverend Gary too  
Well I'd sit and stare and dream  
Of doin' what they could do.

Well it's been thirty years since the ashgrove burned down  
And I'm out on this highway travelin' town to town  
Tryin' to make a livin'
