

Dave Dudley, At The Junction

It's just a small cafe I'm here most everyday at the junction of heartbreak road
I guess it's very clear it's you that put me here at the junction of heartbreak road
At the junction where losers and weepers meet and if you'd never been there before
They say if you stay at that junction long enough
Honey everybody walks into that door
I'll have a drink or two then I'll have one for you and another for anyone I know
There are roads out of here for all those who leave to tears
I'm at the junction with no place to go I'm at the junction with no place to go
I'm at the junction with no place to go
