

# Dave Dudley, Bad Moon Rising

I see the bad moon rising I see trouble all the way  
I see earthquakes and lightenin' I see bad times today  
Don't fool around tonight well it's bound to take your life  
There's a bad moon on the rise

I hear a hurricane a roaring I know the end is coming soon  
And I hear the river overflowin' I hear the voice of ragin' ruin  
Don't fool around tonight...

I hope you've got your things together I hope you're quite prepared to die  
It looks like you're in for nasty weather oh now you're sinkin' for an eye  
Don't fool around tonight...  
Oh don't fool around tonight...
