

Dave Dudley, Canadian Sunset

Once I was alone so lonely and then
You came out of nowhere like the sun up from the hills
Cold cold was the wind warm warm were your lips
Out there on dusty trail where your kiss will be with fire
All weekend in Canada a change you'll see was the most I bargain for
And then I discovered you and in your eyes
I'd found the look that I couldn't ignore
Down down came the sun fast fast beat your heart
I'd do when that sun sets from that day we'd never ever part
