

# Dave Dudley, I Keep Looking Back

I keep looking back over my shoulder but the footsteps of a fool is all I see  
I keep looking back over my shoulder  
Hoping someday I'll see you smile and looking back at me  
It makes no difference now who was right who was wrong  
Too late to go back now I've been away too long  
I keep looking back over my shoulder  
Hoping someday I'll see you smile and looking back at me  
I walk along now on this road of regret  
And the miles between us they had let me forget  
I keep looking back over my shoulder  
Hoping someday I'll see you smile and looking back at me  
Hoping someday I'll see you smile and looking back at me
