

Dave Dudley, I Keep Looking Back

I keep looking back over my shoulder but the footsteps of a fool is all I see
I keep looking back over my shoulder
Hoping someday I'll see you smile and looking back at me
It makes no difference now who was right who was wrong
Too late to go back now I've been away too long
I keep looking back over my shoulder
Hoping someday I'll see you smile and looking back at me
I walk along now on this road of regret
And the miles between us they had let me forget
I keep looking back over my shoulder
Hoping someday I'll see you smile and looking back at me
Hoping someday I'll see you smile and looking back at me
