

Dave Dudley, I'll Be Moving Along

I'm letting go up what used to be when there was love just you and me
It's like you said it all went wrong what's left to say I'll be moving along
Too bad too bad for me for you we planted love seed but nothing grew
Too soon to know where I belong can't stay here I'll be moving along

I'll be moving along it wasn't all bad the memory makes me a little bit sad
It had to be said I wasn't that strong you found the words I'll be moving along
Too bad too bad for me for you...
