

# Dave Dudley, Keep On Truckin'

In life there's many hills to climb and sometimes you'll get in a blind  
But the day will come you gonna bring you luck  
Don't live too fast just set your place when it's over you'll win the race  
So hang on friend keep on truckin'  
Keep on truckin' till you reach the top  
Keep them wheels a rollin' don't ever let 'em stop  
Tell old bad luck that you ain't buyin' you can't fail if you'll keep tryin'  
Hang on friend keep on truckin'
