

# Dave Dudley, Slippin' Around

Seems I always have to slip around to be with you my dear  
Slippin' around afraid we'd might be found  
I know I can't forget you and I've got to have you near  
But we just have to slip around and live in constant fear  
Though you're tied up with someone else and I'm all tied up too  
I know I've made mistakes dear but I'm so in love with you  
I hope someday I'll find a way to bring you back to me  
And I won't have to slip around to have your company

And I won't have to slip around to have your company
