

# Dave Dudley, Sugarland U.S.A.

Headin' back to sugerland USA I been so lonesome ever since I went away  
This time I'm a going back to stay with my sugar in sugerland USA  
I gotta keep these big wheels rolling on I can see sugerland down the road  
And my sugar is waiting patiently right there in sugerland USA  
Where sugar is sweeter and loving nights are longer  
Sweet love never dies it gets sweeter and stronger  
Back home in sugerland USA where the living is easy everyday  
You can bet this time I'm gonna stay with my sugar in sugerland USA  
With my sugar in sugerland USA
