

# Dave Dudley, Temporarily

Good evening friend hey you're lookin' good I'm happy about your prosperity  
But before you ask how I'm a gettin' along well I'm down on my luck temporarily  
Temporarily I'm out of touch with the folks on my street  
Temporarily there ain't too much left between the sidewalk and my feet  
But wait for a while and I'll come back in style  
I'm just not what is a happening temporarily  
Well I see that you noticed my suit ain't been pressed  
No I'm not the fashion this week  
But now you know how I think and I'll get back in the pink  
I'm just showing my blue side temporarily  
I'm just showing my blue side temporarily I'm just showing my blue side temporarily  
Yeah I'm just showing my blue side temporarily
