Dave Gahan, Miracles

I don't believe in miracles
And they happen every day
I don't believe in Jesus
But I'm praying anyway

I want to accept the truth, I really do
I believe, I'm just afraid of losing you

I read it in the paper
And I've watched them on TV
I've seen it in the movies
They say the truth will set you free

I want to accept the truth, I really do
I believe, I'm just afraid of losing you

I'm just afraid of losing you
