

Dave Gahan, Tomorrow

You're the stars in the sky
You have heaven in your eyes

And only you're the reason why
Will you stay here by my side

One last kiss
One last time

Tomorrow will come
Tomorrow will come
All too soon
All too soon
Tomorrow will come
Tomorrow will come

With you I can survive
You make me feel alive

You're the sun and the rain
My pleasure and my pain

One last kiss
One last time

Tomorrow will come
Tomorrow will come
All too soon
All too soon
Tomorrow will come
Tomorrow will come

One last kiss
One last time

Tomorrow will come
Tomorrow will come
All too soon
All too soon
Tomorrow will come
Tomorrow will come
