

Dave Hollister, Baby Mama Drama

What the fuck is going on?
You got 5-0 knocking at my door
6 in the morning
I think you better let it go
I told you once before that we ain't fucking no more
I reminisce on how I used to trick
Spent all my money for that Rolley on your wrist
But now it's not the same
Cause you're caught up in the game
It's funny how the money change things
