

Dave Hollister, Cheaterlude (Interlude)

There's a cheat in this building
And I know,
I got to move,(said I know yeah)I got to move,
(Said I know yeah)I got to move
See there's a cheat in this building,
And I know,
I got to move,
See what goes around,comes on back around

Wait a minute,
See now my momma tried to warn me,
But I didn't,
Didn't want to listen,(no I didn't) didn't want to listen,
(No i didn't naw) didn't want to listen
See yall my momma tried to warn me,
But I didn't no,
Didn't want to listen,
See what they say is,
Bet I wont let this happen again
