

# Dave Hollister, I'm Not Complete

[Intro]

Mmm hmm, ooh yeah

Ooh yeah, lady lady lady

Ohh ooh, can I talk to you?

Talkt o you, listen to me

Whoa oh, oh oh oh oh, oh

I just gotta, gotta let you know

Can I tell you somethin'?

Baby baby, listen to me

Mmm, ohh

One time was enough for me

To realize what you mean to me

You stood by my side

When I was down

Didn't have a thing

You still came to see about me

I had many dreams

You encouraged me

You told me to keep pressin' on

Through it all

Without you, I wouldn't be

That's why I see, yeah

1 - Where would I go?

What would I do?

Do without you?

I'm not complete

Unless you're with me

Repeat 1

Can't breathe without you

Don't wanna be without you

I don't wanna live without you

Now we're driving

Facy cars

Wearin' diamond things

People know who we are

I know people change

But you stayed the same

Still the same girl

From around the way

Still wash the clothes

(And you know we got it made)

Still cookin' food

(We can go to any restaurant you wanna)

Would I die for you? (yeah)

Would I cry for you? (yeah)

Live my life for you? (yeah)

That's why I sing, hey yeah

Repeat 1

Repeat 1

(There is no greater love for me)

Listen to me

You took me step by step and you nurtured me (oh)

You picked me up (oh)

And turned me around

Won't you be my love?

No other one could be

(Babygirl, what you mean to me)

You're my everything

(My everything)

My hopes and dreams

(I can love you forever, eternally)

(Somebody tell me)

Repeat 1 w/ ad-libs to fade
