

Dave Hollister, Keep Lovin' You

Uh-huh

Uh-huh

Yo', Mike City

Where the girls at, baby

This song goes out to all the women in the club tonight

Let me see you put your hands and your glasses in the air

You're the kind of girl every brother wants

And needs in their lives, yeah, baby

No matter what the situation is, you stand by me

Whether I'm wrong or right, ooh

And even when we're in the middle of an argument, huh

Cussin' each other out, oh, yeah

In my heart I'm admirin' your feisty ways

Then we kiss and make up, never wanna let us break up

Baby, keep on lovin' me (Lovin' me like you do, yeah)

Lovin' me just like you do (Ooh...ooh...ooh...believe me, yeah, mmm)

I wanna prove to you faithfully (Whoa...)

I will keep on lovin' you

If by chance for whatever reason I got handled

And landed myself in jail

You would call everyone you knew raisin' hell

To help me make bail, ooh...ooh...

That's why I don't mind spoiling you, spendin' quality time, huh

'Cause you hold me down, oh, yeah

There's so many women that could learn from you

You know how to keep a man, you just let him be a man, oh

Baby, keep on lovin' me (Lovin' me like you do, yeah, yeah)

Lovin' me just like you do (Baby, I want you to please believe me)

I wanna prove to you faithfully (Whoa...I'm gonna keep on lovin')

I will keep on lovin' you (Listen, baby)

Damn what people say {I ain't goin' nowhere}

I see my soul with you forever, baby

Till my dyin' day {I ain't goin' nowhere}

Nowhere, so proud to see you keep on {Lovin' me}

Baby, keep on lovin' me (Baby, lovin' me like you do)

Lovin' me just like you do (Won't you please believe me)

I wanna prove to you faithfully (Huh, baby, I'm gonna keep) [I'm gonna keep on]

I will keep on lovin' you (Yeah...) {Lovin' me}

Baby, keep on lovin' me (I'm gonna keep on lovin' you)

Lovin' me just like you do (Let me get down on my bended knees)

I wanna prove to you faithfully (Cause I want you to believe me, baby)

(I'm gon' keep on lovin' you, yes, I will)

I will keep on lovin' you (Every day, every hour)

{Lovin' me}

Baby, keep on lovin' me (I'm gonna do everything I can)

Lovin' me just like you do (Please, please, baby)

I wanna prove to you faithfully (Please believe me, baby)

I will keep on lovin' you (Oh...oh...oh...) {Lovin' me}

Baby, keep on lovin' me (Somebody say I don't need ya)

Lovin' me just like you do (Don't know how much I can say, baby)

I wanna prove to you faithfully (Wanna prove to you every day)

I will keep on lovin' you (I need you, baby-baby-baby-baby-baby-baby-baby-baby) {Lovin' me}

Baby, keep on lovin' me (All I want you to do is keep lovin' me)

Lovin' me just like you do (Lovin' me, lovin' me, yeah, yeah)

I wanna prove to you faithfully (Please believe me, baby)

I will keep on lovin' you (Yo', Mike City, we outta here) {Lovin' me}
