

Dave Hollister, The Program

Want to be down with the program you know with my steelo I gets busy when I'm doing my thang.

You say you want it girl i don't really think you do. Cause I know you aint ready for what about I'm to put down on you. Cause I don't play games when it come to doing it girk I do my thing better ask somebody before you come to my party wanna be down.

Want to be down with the program you know with my steelo I gets busy when I'm doing my thang. Want to be down with my program you know with my steelo I gets busy when I'm doing my thang.

Come on in sit down baby take a load off your feet. Your going to need a little rest baby before you get down with me. Cause I brings the pain make you scream and shout make you call my name bet you want forget it its like a drug your gonna be addict.

Want to be down with the program you know with my steelo I gets busy when I'm doing my thang. Want to be down with my program you know with my steelo I gets busy when I'm doing my thang.

Are you ready to fly, are you ready for me, do you want this ride. Come on, come on, come on.

Want to be down with the program you know with my steelo I gets busy when I'm doing my thang. Want to be down with my program you know with my steelo I gets busy when I'm doing my thang.
