

Dave Hollister, What Should I Say

All the time we spent girl I thought it would mean more to you, but I guess it didn't mean that much to you, cause your telling me that you love me but you keep giving me such a hard time at home, sometimes feel like I don't know where to go, sometimes I feel like I should just move on, cause even when were right we're so wrong and don't know what to do at all so..

Tell me why should I beleive what you say to me when I know that you lied time after time I don't know what to do what should I say to you (to make you understand me) I can't do this I can't live like this cause we're at a dead end don't where to begin where do we go I need to know.

Give me one reason why, why you always trying to mess with mind all we do is fuss an fight all the time it like a tug of war I can't do it no more cause it seems I can't win for losing when it comes to you tell me why you change why you so brand new see I don't understand please help me understand cause I'm so confused and all I really want is you

So tell me what you want from me all I want to do is be the man that you need but I can't do it all by myself girl I need some help.

I want to be with you but I don't want to be a fool I'm tired of all the pain baby can we change the game cause we're not happy here but I do know one things real

Tell me why should I beleive what you say to me when I know that you lied time after time I don't know what to do what should I say to you (to make you understand me) I can't do this I can't live like this cause we're at a dead end don't where to begin where do we go I need to know.
