

# Dave Hollister, You Can't Say

Whoa, whoa, whoa, whoa, whoa  
You know that I love you  
Whoa, whoa, whoa, whoa, whoa  
You know that I love you  
Whoa, whoa, whoa, whoa, whoa  
More than anything  
We've been living in here, two years  
You've been wearing this ring, one year  
Times good, times bad  
You said I'm down for whatever  
Say down for whatever, say  
Telling me that you've changed your mind  
Said that I ain't been giving you time  
Hustlin' morning till night, all the time  
I know what you're feeling but you can't say  
[1:] You can't say  
That I'm not there  
You can't say  
That I don't care  
You can't tell me I don't love  
More than, more than anything  
[1]  
Now you're running the streets, all night  
Where you been and you say, you're mama's house  
I find it hard to believe  
When you say whatever  
And then you say get over it  
They say absence makes the heart grow fonder  
But it ain't working for me and I wonder  
Why you treat me so bad, so bad?  
When I've been in the beginning and there in the end  
[1: x2]  
More than the money I got  
More than the cars I drive  
More than this ice you see, you see  
Are you down for whatever?  
I'm still down for whatever, say  
More than this house I live  
Everything I got I'll give  
Let me lay it on the line  
Girl hear me out, out, out, out  
[1: x4]  
I'm down for whatever say  
(I'm down for whatever say)  
I'm down for whatever say  
(I'm down for whatever say)  
Are you down for whatever say?  
(Let's be down for whatever say)  
I'm down for whatever say  
(I'm down for whatever say)  
I'm down for whatever say  
(I'm down for whatever say)  
I'm down for whatever say  
(I'm down for whatever say)  
I'm down for whatever say  
(I'm down for whatever say)  
Are you down for whatever say?...
