

# Dave Matthews Band, Mercy

Don't give up  
I know you can see  
All the world and the mess that were making  
Can't give up  
And hope God will intercede  
Come on back  
Imagine that we could get it together  
Stand up for what we need to be  
'Cause crime won't save our feet or hungry child  
Can't lay down and hope no miracles change things  
So' lift up your eyes  
Lift up your heart  
Singing:

Mercy will we overcome this  
Oh, one by one could we turn it around  
Maybe carry on just a little bit longer  
And I try to give you what you need

Me and you, and you, and you  
Just want to be free, yeah, yeah  
But you see all the world is just as we've made it  
And until we got a new world  
Got to say that love is not a whisper or a weakness  
No love is strong  
So we got to get together yeah  
Gotta get gotta. get gotta get  
Til there is no reason  
To fight

Mercy will we overcome this  
Oh, one by one could we turn it around  
Maybe carry on just a little bit longer  
And I try to give you what you need

Mercy will we overcome this  
Oh, we come to far to turn it around  
Oh, asked too much to be a little bit stronger  
'Coz I want to give you what you need

Mercy what will become of us  
Oh, one by one could we turn it around  
Maybe carry on just a little bit longer  
And I try to give you what you need
