

David Ball, What Do You Say To That

You're like the warm sunshine I think of you all the time
I've fallen for you and that's a fact what do you say to that
You're always in my dreams I think you know what they mean
My heart knows this is real at last what do you say to that
Life could never be the same without you and love was never really love without you
Here beside you is really where it's at what do you say to that
[ac.guitar - dobro]
I promise I'll never leave I'll always want you with me
Loving you won't ever be old hat what do you say to that
Life could never be the same...
What do you say
