(feat. Jagged Edge)

[CHORUS: Jagged Edge]

See, All we need is a couple lets go act up
Wouldn't believe the scene up in my black truck

And if you down get down
If you aint 2 fingers PEACE!

Got mine, Got wine to make 'em act up
I got 'em damn near naked in the 'lac truck
A couple shots of Hennessey
And if you down get down
If you aint 2 fingers PEACE!

[VERSE 1: David Banner]

Give a fuck she's a sista
Let her play her position and my mission is to cut
Dat really be blunt man get my dick sucked
Hut one, Hut two then she hiking my balls
Send her back to the club with your bitch on the wall

[CHORUS]

[VERSE 2: David Banner]

[VERSE 3: David Banner]

Fuckin' that nigga bad
You lookin' for yo miss she in the truck up on my 'lac
You whinin' and you moanin'

Or bring her nigga money and make up 100 stash
