Chris Brown:

The name you know of
A little bit change now your boy done blown up
And I'm doing things that gets exposed
Stunting aint a thing to me

And it's obvious it's plain to see
That you gone make us both
Get into some things
That'll scare grown folks
Shi* they might even say
You should leave me alone
Don't be scared
You need to get like me
Stunting is a habit

Just gotta have it
Shawty can throw anything at me
I'm gonna bag it
When she sees the carats
They real just like a rabbit
Can't no other boy
Do the things you like
He aint your type
Change your life
And if you did your homework
Girl I'm pretty sure you know what I got
Drop top singing Jones on road
Let me stop
Stunting is a Habit

stuntin(stuntin)is a habit,
get like me,
Have you ever seen a chevy with the(get, get like me)
Have you ever seen a chevy with the(get like me)
Have you ever seen a chevy with the butterfly doors,
stuntin (stuntin) is a habit,
