[Verse 1: Twista]

By the time I done got up in the do' all I wanna see is phatty drop to the flo'  
Come and bump it for the balla' name Twist', while I sit in V.I.P. poppin' Cris' and Mo'  
Come and kick it with the playa' that get the ass and the cash by the incredible bulk  
Sippin' Hiptnoiq and Hennessy, yeah we call it Incredible Hulk  
Cause I gotta' get that bud, when I'm up in the club  
Jackin' booties 'til the mornin'  
Thinkin' bout it bonnin', realizing, realizing, that I am zonin'  
Cause the girls here look so good somebody need to put them in a magazine, and a  
My homies got it from the front to the back with they straps and they magazines, and a  
Baby show me how you do that roll  
Make it jump and jiggle cause yo' booty swoll  
Come over here show me how you pop it and drop it  
You know I love when you work that good dick hoe  
Get it crunk it's a kinky thing  
Baby gul' let me see you fold up your legs like a chicken wing  
Figure how you do those kinky things  
Slex it if it's a Chi-town head this Mississippi thang  
Cars, got to do it, clothes, got to do it  
Ice, got to do it, gul' put yo' booty and yo' back into it  
Put a David Banner track into it, and I bet your system gon' beat  
And this is how the Twista spit it to the remix for these freaks

[Chorus: David Banner (Lil Flip)]

Screamin' "Where's my girl?"  
Don't worry buddy she here with us, shakin' and poppin'  
Droppin' real slow but she ain't stoppin' nothin' man
