

# David Bowie, Across The Universe

[Written by John Lennon & Paul McCartney]

[Originally performed by The Beatles in the album "Let It Be"]

Words are flowing out like endless rain into a paper cup  
They slither wildly as they slip away  
Across the universe  
Pools of sorrow, waves of joy are drifting through my opened mind  
Possessing and caressing me

[CHORUS (twice)]

Nothing's gonna change my world  
Nothing's gonna change my world  
Images of broken light which dance before me like a  
Million eyes  
They call me on and on  
Across the universe  
Thoughts meander like the restless wind inside a letter box  
They tumble blindly as they make their way  
Across the universe

[CHORUS 1 (twice)]

Sounds of laughter, shades of life are ringing through my  
open ears  
Inciting and inviting me  
Limitless undying love, which shines around me like a million suns  
It calls me on and on and on  
Across the universe

[CHORUS (twice)]
