David Bowie, Bang Bang

Wow this ain't the right thing to do so let's go

Young girls they know what they're after Young girls don't kiss me goodbye Rockets shooting up into space Buildings they rise to the skies

Bang Bang I got mine Bang Bang reach for the sky

I keep a good friend on videotape He'll drive his sports car until it's too late But we'll have a hot time on the town tonight Cause love is my bet and it's the best yet

Bang Bang I got mine
Bang Bang sun don't shine
Bang Bang you all angels
Bang Bang now you all ought to be in pictures

Oh girl
Oh girl my problems
can't follow me
Phone calls I take my machine
I wander lonely to the sea
Lonely-Ha Ha-what does it mean

Bang Bang I got mine
Bang Bang and you are next in line
Bang Bang reach for the sky
Bang Bang sun don't shine

Rise buildings Rise to the sky Young girls they know what they're after I said, young girls don't kiss me goodbye
