

# David Bowie, Everything's Alright

Oh, little baby  
You know I've been away  
Oh, little baby  
You know I'll come today  
Don't you know that

Everything's alright  
(everything's alright)  
Everything's alright  
Everything's alright  
(everything's alright, babe)

Let me hold your hand and be your loving man (all night)

Let me hold your hand and be your loving man (all night)

Let me hold your hand and be your loving man (all night, alright!)

Oh, little baby  
You know I feel so good  
Oh, little baby  
I never knew I could  
And don't you know that

Everything's alright  
(everything's alright, babe)  
Everything's alright  
Everything's alright  
(everything's alright, babe)  
Let me give you loving like nobody can  
(all night) [x2]  
Let me give you loving like nobody can  
(all night, alright!)

Let me hold your hand and be your loving man

No, no, no, no, no, that's a-loving you  
(Must have been you,  
I'm gonna all night loving you)  
No, no, no, no, no  
I'll be good for you

Everything's alright  
(everything's alright, babe)  
Everything's alright  
Everything's alright  
(everything's alright, babe)  
Let me give you loving like nobody can  
(all night) [x2]  
Let me give you loving like nobody can  
(all night, alright!)

Everything's alright  
Everything's alright  
Oooh
