

David Bowie, Laughing Gnome

No one can blame you for walking away
But too much rejection, uh huh...
No love injection
Life can be easy
It's not always swell
Don't tell me truth hurts, little girl
'cause it hurts like hell
But down in the underground
You'll find someone true
Down in the Underground
A land serene, a crystal moon
A-ha
It's only forever
Not long at all
Lost and Lonely
That's underground, underground
Daddy, daddy, get me out of here
Heard about a place today
Nothing ever hurts again
repeat
Sister, sister, please take me down,
gotta get underground
