

# David Bowie, Time Will Crawl

I've never sailed on a sea  
I would not challenge a giant  
I could not take on the church  
Time will crawl  
Till the 21st century lose

I know a government man  
He was as blind as the moon  
He saw the sun in the night  
He took a top-gun pilot and he  
He made him fly thru a hole  
Till he grew real old  
And he never came down  
He just flew till he burst

Time will crawl  
Till our mouths  
run dry  
Time will crawl  
Till our feet  
grow small  
Time will crawl  
Till our tails  
fall off  
Time will crawl  
till the 21st century lose

I saw a black black stream  
Full of white eyed fish  
And a drowning man  
With no eyes at all  
I felt a warm warm breeze  
That melted metal and steel  
I got a bad migraine  
That lasted three long years  
And the pills that I took  
Made my fingers disappear

Time will crawl, time will crawl  
Time will crawl  
Till the 21st century lose

You were a talented child  
You came to live in our town  
We never bothered to scream  
When your mask came off  
We only smelt the gas  
As we lay down to sleep

Time will crawl  
and our heads bowed down  
Time will crawl  
and our eyes fall out  
Time will crawl  
and the streets run red  
Time will crawl  
till the 21st century lose

Time will crawl  
and our mouths run dry  
Time will crawl  
and our feet grow small  
Time will crawl  
and our tails fall off

Time will crawl  
till the 21st century lose

Time will crawl  
and our heads bowed down  
Time will crawl  
and our eyes fall out  
Time will crawl  
and the streets run red  
Time will crawl  
till the 21st century lose

For the crazy child  
We'll give every life  
For the crackpot notion
