

# David Byrne, America Is Waiting

America is waiting for a message of some sort or another.

Takin' it again. Again! Again! Takin' it again.

Well now... no, no... now, we ought to be mad at the government not mad at the people.

Takin' it again. Again! Again! Takin' it again.

I mean, yeah, well... wha-what're ya gonna do?

America is waiting for a message of some sort or another.

No will whatsoever. No will whatsoever! Absolutely no honor.

No will whatsoever. No will whatsoever! Absolutely no integrity.

No will whatsoever. No will whatsoever! I haven't seen any any any citizen over there stand up and

No will whatsoever. No will whatsoever! I mean, yeah, so... wha-what're ya gonna do?

America is waiting for a message of some sort or another.
