David Byrne, Dirty Old Town

[Mapeye]

Well, there are sixteen people in Danny's apartment Sixteen people are living in there Remember the days of rent control Grandpa remembers rock and roll

These days won't last forever
These days won't last for long
You know, somebody somewhere owes us a favor
That's how things really get done
In this World of Opportunities, it's a Land of Possibilities

We wanna live in a dirty old town Building it up, tearing us down With our head in the clouds and our feet on the ground We wanna live - dirty old town Dirty old town

Now when the ladies come from Kansas
They wear their traditional colors
Today the fabrics are ragged and torn
The clothes on their backs is all that they own
They say, "Don't draw attention to yourself
They'll tear you apart for a couple of bucks
Keep you head down and keep you nose clean
'Cause people who're scared do dangerous things"

These days can't last forever
These days can't last for long
You know someday things'll get better
Somehow things'll get done
In this World of Possibilities, it's the Land of Opportunities

We wanna live in a dirty old town
Building it up, tearing us down
With our head in the clouds and our feet on the ground
We wanna live - dirty old town
Dirty old town

These days shoes are worn only on special occasions Battles are fought for fam'ly and nations Maybe you'll pray, but God isn't home And there's no guarantee that justice be done

We wanna live in a dirty old town Building it up, tearing us down With our head in the clouds and our feet on the ground We wanna live - dirty old town Dirty old town
