

# David Cook, Dream Big (American Idol Performance)

When I was a little boy  
I swore that I would change the world when I grew up.  
Nothing else would be enough

I see it everyday  
We settle for safe  
And lose ourselves along the way

Cause if you don't dream big, what's the use of dreaming?  
If you don't have faith, there's nothing worth believing.  
It takes one hope to make the stars worth reaching for.  
So reach out for something more.

It took a well perfected plan  
For me to finally understand  
That it's not me  
Faith is something you can't see

I've wiped my tears away,  
Now it's time for a change  
No I can't waste another day

Cause if you don't dream big, what's the use of dreaming?  
If you don't have faith, there's nothing worth believing.  
It takes one hope to make the stars worth reaching for.

Cause if you don't have faith what's the use of dreaming?  
If you don't have faith there's nothing worth believing.  
It takes one hope to make the stars worth reaching for.  
So reach out for something more.
