

David Cook, Mr. Sensitive

Day in and day out
Watch him scream
Watch him shout through the silence
Through the silence
Give him ears, give him eyes
Give some point to the cries and the violence
Oh, the violence
Hear him scream your name

I would like to introduce Mr. Sensitive
The one who never let the worst get the best of him, get the best of him
Get the best of him

This city feels low against the gleam and the glow of his diligence
To their elegance
Just feel anger, feel pain, feel the sun and the rain
Just feel something
Oh, feel something
Hear him scream your name

I would like to introduce Mr. Sensitive
The one who never let the worst get the best of him, get the best of him
Take all the stones, the bricks, the bones
He didnt stand a chance they said
A little boy the world in show, but ignorance is bliss

I would like to introduce Mr. Sensitive
The one who never let the worst get the best of him, get the best of him
Get the best of him
