

# David Crosby, Fare Thee Well

Fare Thee Well  
by Emily Saliers (Indigo Girls)  
performed by David Crosby  
(B-side of the "Hero" single)

Fare thee well my bright star  
I watched your taillights blaze into nothingness  
But you were long gone before I ever got to you  
Before you blazed past this address

And now I think of having loved and having lost  
But never know what it's like to never love  
Who can say that's better and my heart's become the cost  
A mere token of a brighter jewel sent from above

Fare thee well my bright star  
The vanity of youth, the color of your eyes  
Aand maybe if I'd fanned the blazing fire of your day-to-day  
Or if I'd been older I'd been wise

Too thick the heat of those long summer evenings  
For a cool evening I began to yearn  
But you could only feed upon the things which feed a fire  
Waiting to see if I would burn

Fare thee well my bright star  
It was a brief brilliant miracle dive  
That which I looked up to and clung to for dear life  
Had to burn itself up just to prove it was alive

And I caught you then in your moment of glory  
Your last dramatic scene against a night sky stage  
With a memory so clear it's as if you were still before me  
My once in a lifetime star of an age

Fare thee well my bright star  
Last night the tongues of fire circled me around  
And this strange season of pain will come to pass  
When the healing hands of autumn cool me down
