

# David Crosby, Hero

(David Crosby and Phil Collins)

[Intro. (Synths and Percussion)]

It was one of those great stories that you can't put down at night  
The hero knew what he had to do and he wasn't afraid to fight  
The villain goes to jail while the hero goes free  
I wish it were that simple for me

And the reason that she loved him  
Was the reason I loved him too  
And he never wondered what was right or wrong  
He just knew, he just knew

[Instrumental (Synths and Electric Guitar)]

Shadow and shade mix together at dawn  
But by the time you catch them simplicity's gone  
So we sort through the pieces my friends and I  
Searching through the darkness to find the breaks in the sky

And the reason that she loved him  
Was the reason I loved him too  
And he never wondered what was right or wrong  
He just knew, he just knew

[Instrumental (Synths and Electric Guitar)]

And we wonder yes, we wonder  
How do you make sense of this  
When the hero kills the maiden  
With his kiss, with his kiss

[Instrumental (Synths and Electric Guitar)]

Well, it was one of those great stories that you can't put down at night  
The hero knew what he had to do and he wasn't afraid to fight  
The villain goes to jail while the hero goes free  
I wish it were that simple for me

Were that simple for me

[Ending (Synths and Electric Guitar)]
