

# David Crosby, Long Time Gone

(David Crosby)

[Intro. (Electric Guitars)]

It's been a long time comin'  
Goin' to be a long time gone

And it appears to be a long  
Appears to be a long  
Appears to be a long time  
Such a long, long time before the dawn, yeah

Turn, turn any corner  
Turn and hear (Turn and hear) what your friends and your neighbors might have to say, yeah  
Something, something, something's goin' on around here  
Surely, surely, surely will not stand the light of day

And it appears to be a long  
Appears to be a long, yeah  
Appears to be a long time  
Such a long, long time before the dawn, yeah, yeah, yeah

[Instrumental (Electric Guitar)]

Speak out, speak out against the madness, yes, yeah, yeah  
All I'm sayin' is speak your mind that is if you still can and you still have the guts to  
Don't, no don't, no, try to get yourself elected, no, no  
And if you do forsake this child you'd better cut your hair

It appears to be a long, yes it does now  
Appears to be a long, yeah, yeah  
Appears to be a long such a long, a long (A long, a long)  
Such a long, long time before the dawn

It's been a long time comin'  
It'll be a long time gone (Gone, gone, gone, gone)

But you know  
The darkest hour, yeah  
It is always, just before your dawn, yes it is

And it appears to be a long, oh, oh  
Appears to be a long, oh, oh, oh  
Appears to be a long time  
Such a long, long time

And it appears to be a long, yeah

[Ending (Electric Guitars and Organ)]
